COMMITTEE/MEMBER Congressman Michael Barnes

SUBJECT EEO Complainant  STAT

ACTION OFFICER  STAT

SUMMARY: EEO  forwarded correspondence received by EEO from Mr. Barnes (not via OLL). Since OLL had action on previous letter dated 6 August from Mr. Barnes' office, I called Carolyn to ask whether she had also queried NSA as we had discussed in our conversation 29 August. Carolyn said she sent a letter to Mr. Steinecke as well as NSA. STAT

I then said we would send Mr. Barnes letter to NSA and ask them to do whatever possible to expedite a decision on this complaint. Carolyn said that would be fine with her and asked for a copy of our transmittal letter to the NSA. I said I would send it along to her as soon as it was done. She will not require a direct response from CIA to Mr. Barnes.
